## The NetZero USA Capital Leasing Program

*Powered by Wells Fargo*

**WELLS  
FARGO**

With the Capital Leasing Program powered by Wells Fargo, NetZero USA can design a lighting solution for you that maintains a positive cash flow from day one! Keep your working capital for growing your business and let the money saved by your new NetZero Lighting Solution cover your lease payments. Invest in your company today to reduce your Utility and Maintenance costs while keeping more of your hard earned profits in your pockets.

### Benefits of the NetZero USA Capital Leasing Program

- No Closing Costs
- No Down Payment
- Low Monthly Payments
- Don't Just Conserve Cash Flow...This Program GENERATES Cash Flow
- Standard 36 Month Term
- Non-Encumbering Equipment Lease

NetZero USA believes in educating our customers and finding the best solution for their needs. We value transparency so much that our proposals feature detailed monthly cash flow calculations for the entire project, and describe every assumption and calculation we make. NetZero USA will guide you through the calculations, Federal and State incentives, depreciation, and lease terms to prove you can maximize the returns on your investment.
